

Create a worksheet for 8-9-year-olds to practice distinguishing between AM and PM times. Include questions where students label each time as AM or PM and write whether each activity typically happens in the morning or evening. Do not include answers."

Educational Worksheet: AM and PM Times

Name:_____ **Date:**_____

Instructions:

In this worksheet, you will practice distinguishing between AM (morning) and PM (evening) times. For each question, label the time as either AM or PM and then write whether the activity typically happens in the morning or evening.

1. Time: _____ AM/PM
Activity: _____
2. Time: _____ AM/PM
Activity: _____
3. Time: _____ AM/PM
Activity: _____
4. Time: _____ AM/PM
Activity: _____
5. Time: _____ AM/PM
Activity: _____
6. Time: _____ AM/PM
Activity: _____
7. Time: _____ AM/PM
Activity: _____
8. Time: _____ AM/PM
Activity: _____
9. Time: _____ AM/PM
Activity: _____
10. Time: _____ AM/PM
Activity: _____

Think about the activities and when they typically occur. Determine if each time is in the morning (AM) or evening (PM), and write your answers accordingly.
