

Create an educational worksheet for 8-9-year-olds to practice matching digital times to analog clock faces. Include a set of digital times and ask students to draw lines connecting each digital time to the correct analog clock image. Provide a brief description of the clock images. Do not include answers."

Educational Worksheet: Matching Digital Times to Analog Clocks

Name:_____ Date:_____

Clock Image Descriptions:

This worksheet will help you practice matching digital times to analog clock faces. Each clock image represents a specific time with two clock hands:

- The shorter hand is the hour hand.
- The longer hand is the minute hand.

Instructions:

Draw lines to match each digital time to the correct analog clock image.

Digital Times:

1. 3:15
2. 8:30
3. 9:45
4. 12:00
5. 6:20
6. 1:55
7. 10:10
8. 7:30
9. 4:45
10. 2:05

Analog Clock Images:

[Image of an analog clock showing a specific time]
